

Intergroup Needs YOUR Support

Intergroup has a lot of functions for instance it has a hotline for helping people find a meeting or to talk to someone already involved in AA. We also have a website that lists meetings in our area, events going on and other functions that keep the communication open in our Area.

Intergroup also facilitates Dinner's, Barbeques, and other activities. We keep this going through the Group donations. Sometimes these donations are slow in coming so we are asking for a little more support. **Donations for these things are wonderful** but the ongoing expense's also need payment so **please keep supporting Intergroup** it is to the benefit of all to keep these functions going.

We have a Intergroup position that is currently open and needing a volunteer: Archivist

The Chair Position will be open and available approximately in 10 months **all positions will have training help if needed!**
