A member of Alcoholics Anonymous was in A.A. for 10 years (He was in A.A. for 10 years drinking. He couldn't stay sober and if he was sober it usually wasn't for long). He finally got a Sponsor that said to Him (in 3rd Party). His Sponsor said to Him I had a Moment of Clarity I had a deep down thought that said to me: Why am I in a 12 Step program and not working the 12 Steps! Mike D. heard this and Mike D. thought to himself that's me! I am in a 12 Step program and I am not working the 12 Steps! Mike D. has now been SOBER for almost 20 years Thanks to WORKING THE 12 STEPS OF A.A. and applying the Spiritual principles and the 12 Step principles into his life Daily!

Am I willing to go to any length to recover?

After we become Willing to believe in a Power Greater than ourselves or honestly describe our conception of our Higher Power (God as I understand Him) we can now start the 12 Steps of Alcoholics Anonymous we work with our sponsor or understanding person and they ask us the first three questions (which are the 1st Three steps)Then we turn to pg 63 in the A.A. Big Book and read The 3rd Step Prayer (second paragraph) we continue reading on for the next 9 Steps. If we say Yes to the 1st three Steps we are now at Step 4. We vigorously set out on a course of action to identify our Spiritual defects of Character.

- -Have you been in A.A. and have you had obsession's to Drink in A.A.?
- -Are you looking for a New way of Life? Is your life unmanageable?
- Do you have **Drinking Dreams** and thought you got drunk?
- are you the grouch and the brainstorm?
- are you restless, irritable and discontent?
- do you come to meetings quite often and still want to drink
- -Are you tired of quitting the drink, but still want to drink!!

Can I agree to some of these questions? If I answer Yes than I am probably alcoholic and only a Spiritual Experience will conquer! Now we can get started With the 12 Steps!!!

The Big Book explains action for each Step. Each Step has a specific meaning.
