

12 Step Workshop

Agenda 2

Step 2- Came to believe that a Power Greater than ourselves can restore us to sanity

Big Book Pg 12 (3rd paragraph)

It was only a matter of being willing to believe in a Power Greater than Myself. Nothing more was required of me to make my beginning.

We are Just Drunks wanting to help other drunks! There are no gurus here, we follow the directions in the Big Book to the best of our abilities, We do not want anyone to feel that there not wanted because of their belief or nonbelief, One of us feels there experience with working with others needs to be told and here it is – He was working with a person that was having trouble believing in God. So the sponsor prayed to God and asked what should I do for the sponsee. The sponsor that prayed all of a sudden knew to Ask the agnostic member, can they be willing to believe in a POWER GREATER Than yourself? God made it clear, this will help the agnostic member lay aside prejudice even a little bit and they will know a NEW FREEDOM! Can they be willing to believe that there is a Power Greater than themselves at a minimum? The Agnostic member was willing to believe and now is on there way to knowing a new freedom and happiness.

How it works:

says: *there is one who has all POWER that one is GOD may you find Him now.*

Right after this it states “half measures availed us nothing” so speaking from my own experience nothing Good happened until I started working at the 12 Steps of Alcoholics anonymous. I could not stay sober until I started working at the 12 Steps of Alcoholics Anonymous

Examples in the Big Book: (Pg 24) (last Paragraph) he has probably placed himself beyond human aid (Pg 25)- But for the Grace of God (Pg 25) God’s Universe (Pg25) no return through human aid (Pg 28) has proved to be the Loving and powerful hand of God
