Inter-Group was brought to order by Kathy at 6:11PM with the Serenity Prayer.

Sylvia, secretary read last months minutes. Will made a motion to accept as read, Kathy seconded it and all was in favor.

Carol, treasurer stated she received \$25.00 from the Tuesday 12:15 group and \$25.00 from the Wednesday 12:15 group. The Friday 12:15 group is giving us \$50.00. These three donations are for picnics. We have \$500, \$200 is for the picnic and the rest for the gratitude-Anniversary picnic. We have a balance of \$1,584.93.

Old Business:

We now have a steering committee of six people. Three from Elmira and three from Corning. They will explore combining the Corning and Elmira Inter-Groups. They are looking into feasibility of combining the two. They have until Labor Day to provide their findings and present it to both Inter-Groups.

Judy has been at at least 5 meetings asking for donations. The regular Watkins meeting will donate at the end of the month.

Kathy stated there is no word from New Dawn. Not sure what to do next, perhaps just go there.

Kathy had a conversation with the Sheriff Dept.. In order to take a meeting into the Chemung Co. jail one has to fill out an application and go through a background check.

Rich took care of the reservations for the picnics. The Anniversary-Gratitude picnic is 6/22/24 from 11AM to 9PM. The regular Inter-Group picnic is 9/7/2024 from 11AM to 9PM. The carasol is included for one hour. Rich paid \$275.00

New Business:

There is going to be another round table meeting on May 4th,2024 at Elmira Works from 10:30AM to 12PM. Todd from Cortland will be sharing on Traditions, Principals, and Concepts.

Brandon is the contact person at CCC Elmira campus. He stated they would like a meeting. Set one up for the first Wed. in May at 2PM. Denny will find out what brochures they need. Inter-Group will pay for the next packet of brochures. By May we hopefully will have a literature person to fill that position.

Karen from the church contacted Kathy. People are parking across the street and blocking people's driveways. Please spread the word to all meetings at Mt. Zoar not to do that.

Kathy closed the meeting at 7PM with the Responsibility Statement.

All in Attendance: Will, Kathy, Denny, Amy, Rich, Carol, Sylvia, & Judy on Zoom.
