Inter-Group was brought to order at 6:10pm by Will S with the Serenity Prayer

Sylvia C, Secretary read the minutes from last month. RichC. made a motion to accept as read, Roy seconded it. All was in favor.

Carol B. Treasurer read the treasury report. \$300.00 donation for the general fund from Watkins Glen group. A donation of \$50 from the Horse heads Friendship group for the picnics. We have a total of \$1,553.78 for the general fund and \$729.81 for the picnic fund. One on one web site was paid \$20.17. Sylvia made a motion to accept, Frank seconded it and all was in favor.

Old Business:

Carol B volunteered to assist Pete in buying the food for the picnic. Speaker meeting at Bath VA person at A.R.M is not responding. Sylvia volunteered to contact Andy to give him Will's phone number. Looking for the second week of the month. Need to contact Will

New Business:

There is going to be a new flyer for Save The Date. In need of material for the AA basket at the picnic.

There has been a problem at Mt. Zoar with the homeless . Coming in pacing back and forth and washing up in the bathroom. We need to adhere to the rules of the church. At the end of meetings we need to make sure everyone is out of the church.

We discussed bringing dogs to the meetings. Some of the ladies are afraid of one particular dog. If it's a service dog, you could ask what service do they provide. They have to be on a lease and can be asked to leave if they refuse. It was discussed to make 4 fliers – 2 each. One for the homeless and one for animals to tape on the door and the bulletin board. Rich C. stated he would make the fliers.

Social Media was discussed. Need to be careful of what you post for anonymity purpose.

13 Stepping was discussed. We all need to bring up the topic at meetings especially so the new comer that women need to work with women and men need to work with men.

Rent checks are to be mailed to the church treasury, John Shambacher. Address: 790 State Route 224. VanEtten, NY 14889.

The 6:30 pm, 8pm, and the 7:30 am meetings are going in together to purchase a new coffee maker.

Meeting closed at 7pm with the Responsibility Statement.
