Old Business:

The bill from Selective Ins. Remains at \$318.00 & has not gone up in three years. The bank charges \$15.00 for each statement and there were three of them. However, the statements now go to the new post office box this month.

The picnic at Eldridge Park is June 20th which includes the carousel. The Anniversary dinner is Septmenber 12th. Which we voted on to have and it was unanimous to have the dinner instead of a picnic. Pete will cook, but needs help. More details to come at a later date.

Stepping Stone sent a letter thanking us for the contribution. It's here for all to read if you'd like.

New Business:

Tresa from Corning would like someone to come and explain the different organizations of AA and what each of them do. Some suggestions were given however she feels that it would be more beneficial for someone from Inter-Group to come and explain. It is tabled until next month.
